Holding Statement

As a result of recent flooding in the Fingal area, two landslips have occurred at Cornwall Coal's Blackwood colliery. There have been no resultant injuries and mining operations have been suspended in the affected areas.

Investigations are currently underway to assess the extent of the incidents.

Deliveries to customers are delayed due to flooding of road and rail routes along the Esk Highway between Fingal and Avoca, deliveries will resume as soon as possible.

Further updates will be forthcoming as the information is available.
