Holding Statement

Pozzolanic Enterprises Pty Ltd ("Pozzolanic") notes the Australian Competition and Consumer Commission (ACCC) has issued a draft determination on Pozzolanic's application for authorisation of the supply of fly ash from the Tarong and Tarong North Power Stations in Queensland.

Pozzolanic believes the ACCC's draft decision is based on a misunderstanding of certain facts. Our company is looking forward to working with the ACCC as they reach a final decision over the coming months.
